## **Equal Opportunities Policy**

This Equal Opportunities Policy Statement is designed to implement the commitment of the Company to Equal Opportunities. It is the responsibility of every employee to ensure his or her own conduct conforms to the expected standards and reflects this Policy Statement.

The aim of the policy is to encourage harmony and respect amongst individuals so as to promote good working practices with a view to maximising the performance and the return to the Company and the employees.

If Equal Opportunities are not applied then valuable talent and potential are wasted. Moreover when unfair discrimination, harassment, bullying or victimisation takes place they bring about a climate of fear, insecurity and poor work performance. As well as being unlawful it affects profitability and morale. It is therefore vital that every employee understands his or her responsibilities. Equal Opportunities are taken very seriously by the Company and wilful failure to apply the policies or evidence of discrimination, harassment, bullying or victimisation will result in disciplinary action which may include your dismissal.

### **The Equal Opportunities Policy Statement**

The Company seeks to employ a workforce which reflects the diverse community at large because the Company values the individual contribution of people irrespective of sex, age, marital status, disability, sexual orientation, gender reassignment, race, colour, religion, ethnic or national origin.

All employees will be treated with dignity and respect. The Company will use its best endeavours to provide a working environment free from unlawful discrimination, harassment or victimisation on the grounds of sex, age, marital status, disability, sexual orientation, gender reassignment, race, colour and religion, ethnic or national origin.

The Company recognises its legal obligations including those under the Race Relations Act, Sex Discrimination Act, The Equal Pay Act, the Disability Discrimination Act and the Part-time Workers legislation.

The Company undertakes to review periodically its selection criteria and procedures to maintain a system where individuals are selected, promoted and treated solely on the basis of their merits and abilities.

The Company will not tolerate acts which breach this policy and all instances of such behaviour or alleged behaviour will be taken seriously, fully investigated and may be subject to the disciplinary procedures of the Company. The Company further seeks to give all employees equal opportunity and encouragement to progress within the organisation by implementing a positive action plan.

If an existing employee becomes disabled the Company will make every effort to retain him or her within the workforce whenever reasonable and practicable.

Whenever reasonably practicable to do so the Company will install in existing premises facilities for people with disabilities. Whenever the Company invests capital in new or refurbished premises every practicable effort will be made to provide for the needs of staff and customers with disabilities.

The Company undertakes to distribute and publicise this policy statement to all employees and elsewhere as from time to time appropriate.

Any employee who believes that they may have been subjected to treatment which breaches this policy may raise the matter through the grievance procedure of the Employer.
